**COMMENTS:**

This bill would establish the Electronic Funds Transfer Task Force to develop a comprehensive approach to implementing a statewide payment dispersal system using electronic funds transfer technology.

The August 24, 2006, amendments narrowed the scope of the report to the Legislature that will be produced by the Electronic Funds Transfer Task Force. The amendments do not impact the department's programs or operations. The remainder of the department's analysis of the bill as introduced February 17, 2006, still applies.
